

# STUDENT'S GOAL:

## HIGH SCHOOL

What additional classes do I think my student should consider before graduating high school?

How can I help my student stay on track for her interests and goals?

How can I help my student to learn organizational skills that she will need in college?

Do I know of any extracurricular activities or internships that might interest and benefit my student?

## COLLEGE APPLICATIONS

How can I help my student organize her college application and selection process?

How can I help my student to meet application deadlines?

What advice can I give my student about asking for recommendation letters?

What can I do to help my student afford college?

Can I find a way to help my student to visit prospective colleges?

## ... AND BEYOND

Who can I direct my student to when she needs help or advice I can't provide?

How can I encourage my student to find role models in her field once she is in college?

How can I encourage my student's independence during this process?
